Vol. III No. 4 April 2013

April "Flash Exhibit"

Randy Merchant is an artist from Gilsum, NH and a good friend of mine. We have decided to mount a two person exhibition by transforming my working studio into a temporary gallery for three days only. We invite our friends and the public to the Friday opening on April 26th, as well as the following two days, to view our recent artwork.

Make a night of it! In addition, we encourage you to take advantage of The Restaurant at Burdick's Chocolate for dinner after the opening. A five minute walk from STUDIO 8, it offers dining at it's finest in downtown Walpole. (Reservations are recommended... call 603.756.9058) Popolo's, another favorite restaurant in downtown Bellows Falls is only a ten minute drive from Walpole. (802.460.7676)
